Redeeming Process

- 1 | Customer wins ball from your crane. Yay!
- 2 | Customer will then take the ticket ball to your redemption counter to redeem
- 3 | Employee scans the balls barcode, removing it from inventory
- 4 | Employee marks out the barcode on ball
- 5 | Employee adds tickets to the customers card
- 6 | Customer can then redeem tickets like normal
- 7 | Customer has a *straight up good time* at your center
